Smith family mini-bus!

In our last prayer letter, we asked folks to pray that our vehicle would continue to run well without breaking down. A day or two after sending the prayer letter, we began to experience more trouble with it and were told that the engine would need major work or need to be replaced. With 240,000 miles on it and a full schedule, we began to look and pray for a replacement. We had a meeting in MD and found and purchased a church mini-bus off Craigslist that was very inexpensive and only had about 54,000 miles on it. Unfortunately, only 30 miles after we bought it, the bus engine blew and we had to have it towed. Praise the Lord that, due to several cancellations we had from the coronavirus restrictions, I now had time to pull the motor out and rebuild it. It is running very well now and should make a good, reliable vehicle to finish deputation with. Amanda is excited that she will be able to make her way to all the children to help them with home school and their other needs while on the road.

Prayer Requests

- ◆ Stability in midst of coronavirus changes
- ◆ Ability to get back on the road in May

Stuck at Grandma's!

The coronavirus pandemic has certainly changed life for folks across America. With many churches no longer able to meet for services, we began to have our meetings cancel the middle of March. So far, we have lost 7 meetings, with the hope that some will reschedule for later this year. Although it was not something we foresaw or would have desired, we are so glad that our last meeting happened to be near my parents church and we were staying with them at the time. The kids are loving being “stuck” at grandma and grandpa’s house until May when our next meeting is scheduled. We pray that the coronavirus situation stabilizes soon and that we can get back on the road without losing many more meetings. God knows what He is doing. We are so grateful that He orchestrated it for the kids to be able to get to be with their grandparents.

Support

Thank you to all who have and are supporting us—both in prayer and financially. We know it is a tremendous sacrifice, especially during this pandemic when so many are not able to work and so much is uncertain. We do not take it for granted at all. We are so grateful and pray for each of you. May God give grace and meet your needs as only He can. May this all pass soon and may churches be stronger in spite of the challenge that this has been. If we can be in prayer about anything specific, please email us or use the prayer submission section on our website. Have a wonderful day!
