## Greetings from Colombia, South America!

We are so glad to be able to write to you from Colombia, the country we look forward to being in permanently in as soon as God provides our support.

Our whole family is on a survey trip to the area of Colombia where God has called us to plant churches. This Departamento is known as Antioquia and reminds us of Antioch where believers were first called "Christians" in the book of Acts. We look forward to the day soon when there will be Colombian believers who are seen by the world around them as being like their Savior, the Lord Jesus Christ.

To see the need of the masses of people in this region is overwhelming. So many have no knowledge of salvation by grace through faith in the finished work of Christ alone. Would you pray with us that even now, God would begin preparing the way for a fruitful harvest here in

## Prayer Requests

---

- ◆ Safety on the road—especially for Amanda and the baby
- ◆ Supporters to take us on.
- ◆ Safe return from Colombia March 2nd.
- ◆ God’s help to allow us to be a blessing and encouragement to every church we visit.

the city of La Ceja and surrounding areas of Colombia.

One of the highlights of this trip was the opportunity to preach again in Spanish twice.

I preached from Luke

19 in Rionegro, Colombia and then later in El Carmen from Genesis 1 and John 1 “In order that everyone may see the Light” What an encouragement it was to hear how God used the preaching to speak to hearts.

## God answered your prayers!

Thank you to all who have prayed for God to provide a travel trailer for us to use on deputation. And also to those who have prayed for us without even knowing of this request.

God graciously answered everyone’s prayers the first week of February when we were able, through several generous gifts, to purchase a bumper-pull travel trailer at an auction.

This trailer will be a tremendous blessing in helping maintain stability to our four and soon-to-be five children as well as mommy and daddy while we are on the road.

May God bless those who made it possible in ways we never could.

Once again, we are so grateful for God’s answers to prayer!
